DESCRIPTION

XIAMEN CELESTIAL 48 - Rare Model 1985 48' Ketch: A sturdy boat with a sought-after layout, excellent storage space, and good sailing characteristics. Perfectly suited for a couple or a family looking for a bluewater cruiser. Boat visible and available in Rome. Rigging and Performance: An agile and high-performing sailboat. Design and Construction: A spacious and well-built vessel. Comfort on Board: A well-thought-out layout. One of the highlights of this boat is its modern layout with a spacious forward and aft cabin offering ample headroom. A U-shaped galley is located to starboard. Equipment and Electronics: Ready for adventure. The Celestial 48 is equipped with a wide range of electronics, including a Furuno radar, two VHF radios with DSC, an Icom HD SSB radio, a Garmin GPS with AIS Plotter Type B, and a MASE 4.5 water generator. The boat is equipped with a Self-Steering Wind Vane Systems. Additionally, an Eberspächer heater is installed for the comfort of the entire boat. The sailboat also has 8 batteries, including 6 AGM 630 Ah batteries, a 105 Ah engine battery, and a 105 Ah generator battery.
